

**INSTRUCTIONS
FOR
LAYING**

1: Lay the Pink Foam on the floor

**Do not tape this to the ground.
Just loose on the floor**

2: Put your Basic tiles on top.

Slide the black tiles into each other.

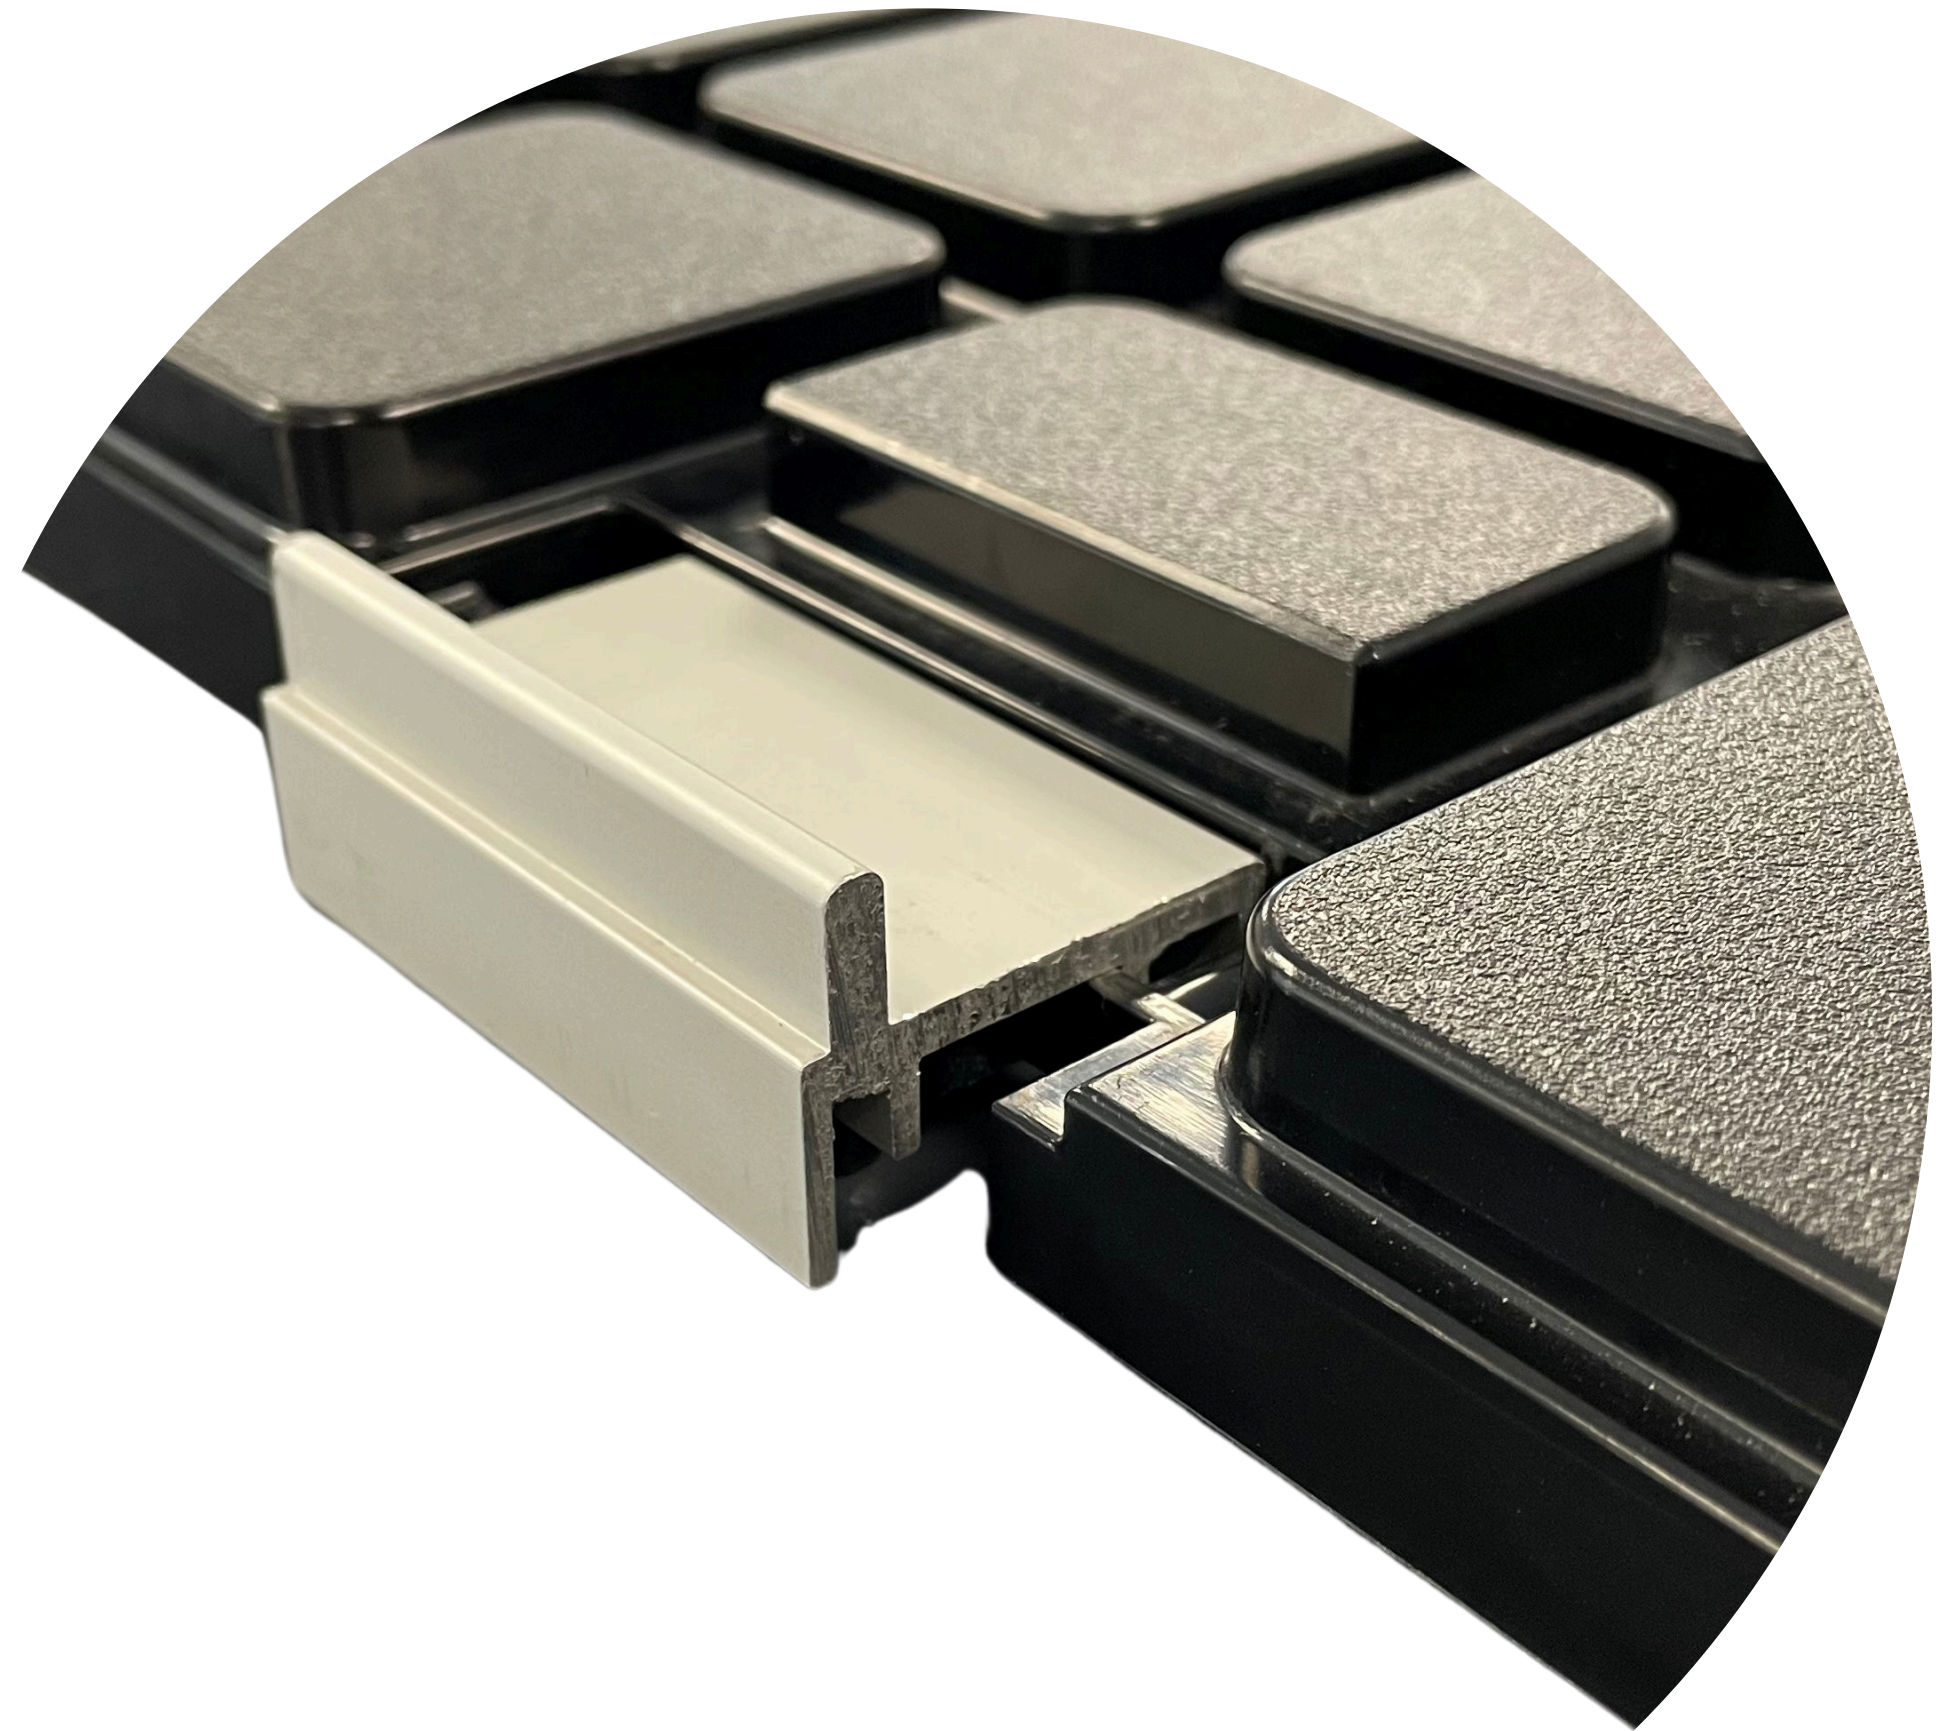

3: Add the connectors

This secures your flooring

4: Alu Connectors

**Only where you add
Aluminum sides**

5: Finishing your floor

**Finish your flooring with
cover plates and slide in
your aluminum edges**
